

Puget Sound TRT
Eleventh meeting—Tuesday-Wednesday, February 13-14, 2001
Padilla Bay National Estuarine Research Reserve
DRAFT Agenda

Tuesday, February 13

- 10:00 am **Viability group (Sands et al.)**
discuss approaches to estimating viability of populations, debriefing from viability workshop, schedule for reporting viability results to watersheds by May 15th.
- Noon **LUNCH** (bring your own—not many places to buy that are close)
- 1:00 pm **Delisting criteria/recovery goals (All)**
Discuss form delisting criteria will take, how they relate to recovery goals, what analyses are needed to achieve our time frames for reporting results, co-manager's approach.
- 5:00 pm **ADJOURN**
- evening dinner, drinks and lively discussion at a brew pub in Mount Vernon

Wednesday, February 14

- 9:00 am **Population identification group (Ruckelshaus et al.)**
discuss last modifications to draft and schedule for completion of co-manager draft by Feb. 26th release target date.
- Noon **LUNCH** (bring your own—we'll have a working lunch)
- Noon **TRT dynamics**, how to deal with conflicts, deadlines, etc. (All)
General brainstorming session.
- 2:00 **ADJOURN**
